Why Choose Prefab Bathroom

01

Shortage of
construction
workers

02

Efficiency
improvement

03

Quality
improvement

04

Labour
Reduction

05

Pollution
Reduction

Why Choose Prefab Bathroom

All In One Bathroom

Tradinitonal Bathroom

**Construction
Period**

Less than 4 hours

16 days

**Type Of
Workers**

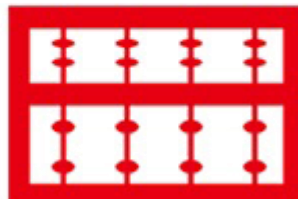

Installer * 1

Mason, plumber, installer, etc

**Cost
Comparison**

Only 1 set price +
1 day installation fee

Long construction period+ High
cost labour + Full bathroom
purchase

Customer Reviews

Hey bella thankyou.
We recieved the bathroom and have began assembly.
The structure of it is very good and the toilet and handbasin also fine 👍.

Yes the shower room base is excellent 🍷 the glass door and glass panels are excellent 🍷

The back and side panels are ok also. We are going to check it for being

We are very grateful to our customers for their recognition of our services and products, but we know that we still need to make continuous efforts to better serve each customer. And we're looking forward to expanding the market with you!

It is my pleasure to share in strong appreciation for the work of Ms Vicki Zhao of Zhejiang Mesa Sanitary Co Ltd.

During my recent search for a product, She demonstrated a keen interest of showing me all their operations products. After purchase Vicki diligently made a quick move of the items to the logistics company for shipment

Furthermore, she demonstrated versatile communication skills and followed the items to the final destination.

Vicki you did it, thank you and may God bless you.

you, your care and your products quality.
Thanks .
